

Aircraft Maintenance Technicians and Apprentices

Aerocycle is currently hiring maintenance technicians and apprentices to assist us in the dismantling and recycling of wide-body and narrow-body transport category aircraft at our Mirabel (CYMX) location. The position is part-time/casual. Retired or semi-retired candidates are accepted. Candidates will work under the supervision of the Aircraft Maintenance Engineers (AME).

Duties shall include, but are not limited to:

- Adhere to and follow the company's policies and procedures.
- Adhere to and follow the policies and procedures of the affiliated Approved Maintenance Organization (AMO).
- Assist the Aircraft Maintenance Engineers in the removal of parts and major components such as actuators, computers, instruments, landing gear, engines, APUs, flight controls, hydraulic components, air conditioning units, etc.
- Remove interior components such as sidewalls, seats, galleys, lavatories, ceilings, floors, overhead bins, passenger service units and ducts.
- Remove cargo compartment components such as cargo loading systems, ducts, ceilings, sidewalls, and floors.
- Fill out the parts identification tags.
- Parts packaging.
- Drain and decontaminate the aircraft fluids.
- Assist in the movement and towing of the aircraft.
- Clean and maintain the workplace and vehicles.

Candidates must meet the following requirements:

- Experience in commercial aviation maintenance is preferred.
- Experience in automobile, truck, heavy-duty, electrical, or industrial maintenance is required.
- Preference will be given to candidates with experience on Airbus and Boeing products.
- Familiarity with Aircraft Maintenance Manuals and Illustrated Parts Catalogues is preferred, but training will be provided to the selected candidates.
- Possess a driver's licence.
- Ability to work in Canada.
- Possess a Restricted Area Identification Card (RAIC) or have the ability to obtain one.
- No criminal record.
- Ability to work with minimal supervision.
- Ability to communicate in English and French (preferred).
- Ability to read and write in English.
- Provide own transportation to Mirabel Airport.
- Be willing to work outside in all weather conditions.
- Ability to work at heights.
